Agricultural Outlook Forum 2001

February 22-23, 2001
Arlington, Virginia

USDA's 77th outlook conference will offer timely forecasts of farm prospects and insight on developments affecting the farm economy. The program will feature top business leaders and officials. Networking opportunities abound at this popular event, attended by over 1,300 people last February.

Policy Debate. Future farm policy will be a hot topic during 2001. The Forum will open with high-level panels on the next farm bill and world trade talks. Focus sessions during the two-day program will preview key policy issues on next year's agenda.

Farm Prospects. Attendees will hear leading analysts discuss the 2001 commodity outlook and industry trends, and receive USDA's latest 10-year projections.

Act Now. Get registration details and program updates at the Forum website. Can't attend in person? Sign up now to get speeches by e-mail after the Forum, or download them from the website.
